

SPOTLIGHT ONSOUTH

WHAT'S HAPPENING AT 2100 MEMBERS DRIVE?

Have you been taking advantage of the benefits your membership has to offer? If yes, then good for you! If the answer is no, then be sure to head down two miles from our main location to 2100 Members Drive and check out our South facility where we have a variety of activities for you, and the whole family to enjoy!

ACA boasts the only indoor rock climbing gym in the north Alabama area so grab the kiddos and go hang out with Lucas, our Rock Wall Manager, in the rock climbing gym. He can help you plan your next family outing, birthday party, or team building event.

So, just ask some of your fellow members Harry Lioce, Yvonne Hornbuckle, Audra Powers, and Craig Herr. Each of them have been "spotted" hitting the racquetball courts or working up a sweat in a Fitness class. Remember - **TWO CLUBS ONE GOAL a healthier YOU!**

CONSTRUCTION UPDATE

Q & A with Eddie Jacques

Q: How long until the Men's Locker Room is completely finished?

A: The dry sauna will be delivered within next couple of weeks and is scheduled to be installed immediately.

Q: We saw the update on the Facebook page with a sneak peek of the Women's Locker Room, when do you expect it to open?

A: Well, the steam room is complete as well as one of our shower stalls.

cont.

Our ladies lockers have been delivered this week so we hope to be ready by the end of the month pending any construction delays.

Q: Why are the ceiling tiles missing in the lobby area?

A: It's time for a facelift in the lobby area, we want our guests and visitors to see a noticeable difference around the Club and not just in the locker rooms. We plan to raise the ceiling, *next page*

CONSTRUCTION UPDATE

Q & A WITH EDDIE JACQUES

continued from cover page

We are also updating the lighting, and renovating the floors with possibly engineered hardwood or something similar.

Q: What else is going on inside the Club?

A: Our stairwell is nearing completion. An updated banister has been added as well as an upgrade to the lighting. We are adding the sprinkler system to the Indoor Courts along with the Men and Women's Locker Rooms.

Q: I see the entrance has new poured concrete, will we expect that for the exit too?

A: The entire parking lot will be completely re-done at the end of our construction phase. This includes new signage, landscaping and new layout.

Q: What have you done on the outdoor hard courts?

A: New windscreens have been installed on hard courts, and we'll be changing out the lighting on 11-14 from yellow to white lights. We also added a new sidewalk and sitting area to Court 18.

Q: Will ALL the outdoor clay courts be re-surfaced?

A: We have already re-surfaced four of the eight older clay courts and will continue with the remaining as weather permits.

Q: Why are Courts 17-18 so difficult when trying to play?

A: Both courts are brand new and retain water differently than the older courts which makes it more challenging when trying to maintain them. In time, they should become more manageable. 

WELCOME, WILL REYNOLDS!

Will Reynolds will join us in May as our new Director of Junior Tennis. He comes to Huntsville by way of Chattanooga and Athens, GA. Born and raised in Chattanooga, Reynolds won team and individual state championships at Chattanooga Christian School, and won the 2009 18 & Under Tennessee State Qualifying during his junior career.

He also paired with ACA co-owner, Alex Rafiee, forming a stud doubles team, and traveled to multiple tournaments with Rafiee and Eddie Jacques. While earning his degree in communications studies at the University of Georgia, Will played on Georgia's team winning SEC regular season titles, SEC tournament titles, and also made the final four of NCAA's twice. He will reside in Huntsville with his wife, Ashley. Please join us in welcoming Will to our team!
